Submits for sanction a set of draft bye-laws framed by the Shillong Town Local Council under Section 49 (1)(c) of the Local Rules for the levy of octroi on certain articles imported into the municipality.

It is intended that these draft bye-laws when published for receiving objections if any, from the public and final action taken thereon regarding modifications in the bye-laws No 19 as finally passed by the Local Council should be made applicable only to those goods and not to all articles as contemplated in the said bye-laws. Both the Local Council and the Chief Secretary, Shillong also are for the proposed modifications, while the Accountant General of the Province and the President of the Local Council are not for any change. The Change proposed seems to be sound and right, if agreed, be passed.

Bye-Law No 11 the last sentence of this bye-laws relating to the levy of a fee of one anna on every export pass is ultra vires and may therefore be deleted.

The above bye-laws are in order & be confirmed with the amendment before bye-laws for finality be made.

Office of the Deputy Commissioner,

Dated, Shimoga the 23rd February 1929

GEN & REV SECT 3769 26 FEB 1929

From

B T Kesaviengar, Esquire, B A ,
Deputy Commissioner, Shimoga District.

To

R Ranga Rao, Esquire, B A , B L ,
General Secretary to Government of Mysore,
BANGALORE

Sir,

I have the honour to report that the Shikaripur Municipalit framed a set of Bye Laws for the levy of Octroi on articles imported into the Municipality approved them at their Meeting held on 3rd June 1928 and notified the same for receiving objection if any from the public An objection petition was received suggesting som modifications to rule 19, sc that refund of Octroi levied should be made applicable only to piece goods and not to all articles as is contemplated by the draft bye law The reason urged for the modification was that the person claiming refund has to produce before the authority concerned the article on which Octroi was levied and which he desires to report and satisfy the authority as regards the identity of the article The identification as is possible only in the case of piece goods which are usually impressed with Municipal seal before removal from the bonded ware house and is not possible in the case of other articles

The objection petition received in this connection was discussed by the council at its Meeting held on 17th December 1928 fifteen members including the President were present at the Meeting and 8 members voted for the modification and 6 against, the President remaining neutral It has been recorded in the resolution that Mr Lingoji Rao one of the Members present, first spoke in favour of refund on all articles except piece goods and then voted for refund on piece goods only and that therefore his vote should not be counted This circumstance mentioned in the resolution does to be

has to

to be accepted

In submitting the correspondence in the matter the President has reported in his No MI 216/28-29 dated the 18th December 1928, that the merchant Class are of opinion that trade would suffer very much if refund is allowed on piece goods only as approved by the Majority of the members of the Municipal Council and that bye laws may be passed without any modifications, and he is of opinion that their representation is sound

The reasons urged in the objection petition appear to be quite sound If refunds are granted on all goods which cannot be identified there would be the risk of claiming refunds even on smuggled goods the smuggler having double advantage I think that the rule has to be modified as agreed to by the Majority of the members

The entire records received from the President is enclosed for favour of perusal

I have the honour to be

Sir

Your most obedient servant,
